

GUEST POLICY

Our unique and friendly community of members is what sets Thunderbird apart from any other club. Our rich culture of tradition and non-pretentious exclusivity is what differentiates our club from other clubs. There is definitely a “buzz” about Thunderbird which is why we continue to draw in new members. It’s important to our members to keep our exclusivity as a “Members Only” Country Club. We are so fortunate to have such a healthy membership that continues to grow and we have our members to thank for bringing in their friends, neighbors and family members who enrich our membership and financial wellness.

In keeping our tradition of a Member’s Only, By-Invitation country club, we felt it was important to review our Guest Policy. First and foremost, our Guest Policy is for the protection of you, our members. It is important to also mention that our rules are carefully thought out and decided on by our Committees and Board of Directors to keep consistent with fairness and equality amongst our entire membership.

THE OVERVIEW OF OUR GUEST POLICY IS:

- All guests must be accompanied by a member at all times unless staying in the Club’s cottages or prior approval has been made by The Board of Directors or its delegate.
- Guest Cards are ONLY produced for sponsored guests staying in the cottages, and specific Family Guests. All other guests must be accompanied by a member.
- The House Committee and Board of Directors discontinued Guest Cards in 2013. Guests may use the club 7 times per season:
 - 7 visits to the Fitness Center
 - 7 nights in a cottage
 - 7 rounds of golf (Golf members only)

GRILLE RESERVATIONS

We have all noticed in the past couple of years that dinner dining in the Grille has become super popular. In order to accommodate as many members as possible with continued great service, superb cuisine and timeliness of your service we need your assistance.

The Grille and Patio have a finite amount of seating so reservations are a must, the earlier the better. Dinner reservation times start at 5:30 p.m. and in half hour increments until 8:30 p.m. When making your reservations, please tell us the time your party will be seated at your table. So keep an eye on the clock, we will honor your reservation with a 15-minute grace period, then relinquish it to a member on the wait list.

Your participation in this process is appreciated and will help make yours and fellow members dining experience all that more enjoyable.
